

# Fire Safety Technical Report

All sofas are fire tested and approved to UK fire standards

## Fabric Upholstery

**Cigarette test for invisible parts of upholstery according to Schedule 4 Part II for the Furniture and Furnishings (Fire) (Safety) Regulations 1988 amended 1989, 1993 and 2010 (SI 1988 / No. 1324, SI 1989/No. 2358, SI 1993/No. 207, SI 2010/No. 2205)**

### Sample Identification

A cover material described by the customer as:

Non-visible fabric used in ELEGANCE, ZYDAN, TUXEDO and CHELSEA.

The sample was tested in combination with a polyurethane foam which passes the ignitability test in Schedule 1 Part I as defined in Schedule 5 Part II of the Regulations (supplied by SATRA)

### Test Result

*The following test result relates only to the ignitability of the combination of upholstery composites under the particular conditions of test, it is not intended as a means of assessing the full potential fire hazard of the materials in use.*

This material PASSED the cigarette test for invisible parts specified in Schedule 4 part II of the Furniture and Furnishings (Fire) (Safety) Regulations 1988, (amended 1989, 1993 and 2010).

## Non-Foam Fillings

**Ignitability test for single non-foam fillings according to Schedule 2 Part I for the Furniture and Furnishings (Fire) (Safety) Regulations 1988 amended 1989, 1993 and 2010 (SI 1988 / No. 1324, SI 1989/No. 2358, SI 1993/No. 207, SI 2010/No. 2205)**

### Sample Identification

A filling identified by the customer as: Back cushion loose fibre used in Roma, Valenica, Vancouver, Alhambra, Venice, Malaysian, Madrid, Sienna, Malagam, Manila, Zina, Shannon, Vaneza, Prada, Somerton and Cashmere.

### Test Result

*The following test result relates only to the ignitability of the combination of upholstery composites under the particular conditions of test, it is not intended as a means of assessing the full potential fire hazard of the materials in use.*

**This sample of non-foam filling PASSED the test specified in Schedule 2 Part I of the Furniture and Furnishings (Fire) (Safety) Regulations 1988 (amended 1989, 1993 and 2010).**
